v.

Case No: 2:07-cv-142-MHT

Richard Allen, et al.

Defendant,

Motion of Objections

I hereby Charles Hicks object to the case of Richard Allen and The Alabama Department of Corrections and The Prison Health Services because of these reasons:

- 1) They are not giving me the proper treatments that I need for my medical condition.
- 2) I had too wait along time before I saw Dr. Paul Coniber at Staton Correctional and was treated like an animal in a cage because of my condition about my health problems.
- 3) I am seeking for money damages and pain and suffering for being treated real bad by the (over)

Security guards and by the nurses staff at Staton Correctional Facility for not giving me diabetic lunch.

- 3) They failed to comply and provide medical services too me while I was incarcerated there at Staton Correctional at that time.
- 4) These allegations are true to what I am saying about this case. Also they refuse to send me too a outside Doctor to get another opinion.
- 5) I am asking also for more time to present more information on this case. This letter was mailed on the 10/11/07. I just received this letter on 10-22-07.

P. S.

Ever since I been here at Alexander  
City Community Base in Alexander City, Alabama  
since July 16, 2007, I have been having problems  
receiving my Legal Mail from any Government  
or Federal Courts. So that's why I just got this  
letter because the mail staff here are messing  
with my Legal Mails.
